E-SERIES

# THE FLEX

GAS STRUT ASSISTED OPENING

FOR OPENINGS UP TO
8' WIDE BY 4.5' TALL

### SCREENS/SHADES

Integrated sun shade or insect screens available on all E-Series openings.

### EASY INSTALLATION

Designed to install similarly to a traditional window with minimal installation complexity.

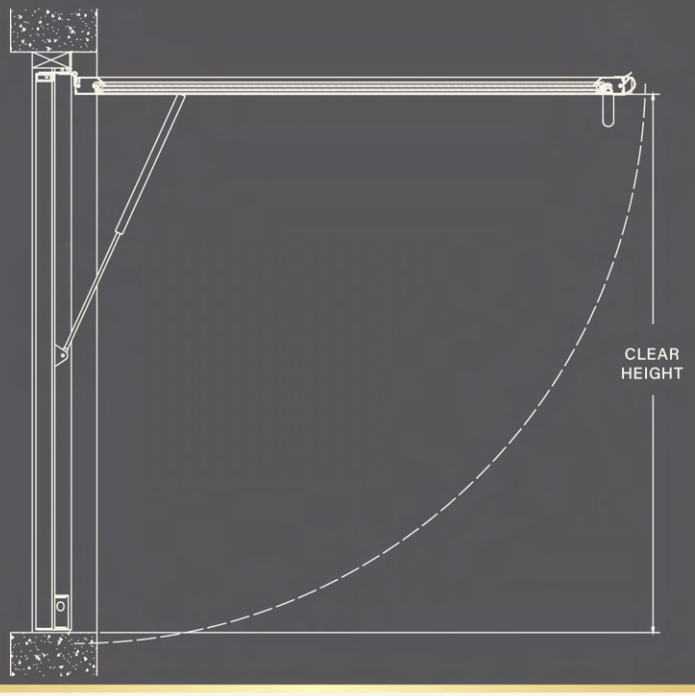

### SOCIAL SPACES

Ideal for bar tops, patios, & concessions to create secure, flexibe indoor-outdoor connection

## HOW IT WORKS

# GAS STRUT ASSISTED OPENING

Concealed gas struts assist a single panel as it swings outward and upward with smooth, balanced movement and reliable support in the open position.

## BUILT WITH INTENT. DESIGNED TO STAND OUT.

### Glass Options

Supports 1/4" tempered glass & 1" insulated glass with multiple low E options available.

### Customizable Layout

Multiple glass lite and divider configurations to match your architectural style.

### Assisted Operation

Concealed gas struts provide smooth, balanced operation during opening and closing.

### Enhanced Security

Integrated dual interior locks help secure the panel in the closed position.
