RESIDENTIAL

Compact Vertical Stacking Openings for Modern Residential Spaces

Designed for homes where clean design and modern performance matter. The SkyStack creates refined vertical openings that maximize natural light and support seamless everyday living.

RESIDENTIAL APPLICATIONS

- ✓ INDOOR-OUTDOOR POOL & PATIO AREAS
- ✓ CUSTOM HIGH-END FINISHED GARAGES

COMMERCIAL

Versatile Openings for Commercial Applications

Renlita designs and builds custom openings for commercial environments where spaces adapt throughout the day.

Our openings integrate seamlessly into the architecture, allowing areas to expand, connect, or separate with intention.

COMMERCIAL APPLICATIONS

- ✓ RESTAURANT BAR TOPS
- ✓ RETAIL STOREFRONT OPENINGS

INSTITUTIONAL

Versatile Openings for Institutional Applications

Renlita designs and builds openings for institutional environments where durability, safety, and reliable performance are essential. Our systems support high-use spaces such as schools, universities and public facilities, allowing areas to open, secure, or separate as needed while maintaining long-term performance and architectural integrity.

INSTITUTIONAL APPLICATIONS

- ✓ SCHOOL CAMPUS COMMON AREAS
- ✓ LECTURE HALLS
- ✓ ATHLETIC STADIUMS

INDUSTRIAL

Versatile Openings for Industrial Applications

Our systems support demanding facilities such as manufacturing plants, service bays, and equipment storage areas, allowing large openings to function smoothly while maintaining safe, dependable performance day after day.

INDUSTRIAL APPLICATIONS

- ✓ LOADING DOCKS
- ✓ VEHICLE ENTRYWAYS

THE SKYSTACK™

KEY FEATURES

- 0.29 U-Value Achievable
- 1/4" or 1" Glass Options
- Proprietary Stacking Technology
- Minimal Overhead Impact

Maximum Dimensions

10' H x 16' W

Maximum sizes up to 10 feet high and 16 feet wide support wide residential openings where compact overhead stacking and efficient use of space are desired.

Operation

Motorized or Manual

Available in motorized or manual chain hoist configurations.

Why Renlita?

Industry Expertise

Renlita has been building creative openings for more than 20 years. During that time, we have built and installed hundreds of award-winning designs on four continents.

Unmatched Engineering

We Build with architectural-grade materials and proprietary designs for unrivaled performance, security, and longevity in the industry.

Collaborative Partnership

We work directly with our experts from concept to installation for flawless execution of your vision, whether custom or curated.

Masterful Product Integration

Our core skill is creating flawless, weather-tight openings that unite structure, aesthetics, and the outdoors with integrity.
